

# Soybeans

## Whole Bean Products

### Whole Soybeans

### Full-fat Flour

### Roasted Soybeans

#### Feed

swine feed

#### Food

fresh green soybeans  
baked soybeans  
bean sprouts  
soymilk  
soysauce  
miso  
natto  
edamame  
tempeh  
other Asian soyfoods

#### Industrial

bean-stuffed objects

#### Food

bread  
candy  
doughnut mix  
frozen desserts  
pancake flour  
pie crusts  
sweet goods  
low-cost gruels  
instant milk drinks  
crackers

#### Food

candy  
confection  
cookie mixes  
cookie toppings  
cracker mixes  
fountain toppings  
soy "coffee"  
soynut butter  
diet foods  
snack foods

#### Feed

swine feed

## Oil Products

### Refined Oil

#### Food

cooking oils  
salad oils  
salad dressings  
mayonnaise  
margarine  
medicinals  
pharmaceuticals  
shortenings  
sandwich spreads  
filled milks  
coffee whiteners  
candy  
chocolate coatings  
frying fats & oils  
frozen desserts  
cheese dips  
gravy mixes  
pastry fillings  
icings  
whipped toppings

#### Industrial

anti-corrosion agents  
anti-static agents  
caulking compounds  
soap  
shampoo  
detergents  
solvents  
core oils  
lubricants  
diesel fuel  
hydraulic fluids  
waterproof cement  
disinfectants  
electrical insulations  
insecticides  
fungicides  
herbicides  
linoleum backing  
oiled fabrics  
candles  
cosmetics  
crayons  
printing inks  
protective coatings  
plastics  
tin & terne plate oils  
wallboard  
dust suppressants  
paint removers  
epoxys  
metal casting agents  
paints

### Lecithin

#### Food

margarine  
candy/chocolate coatings  
dietary supplements  
emulsifying agents  
medicinal agents  
nutritional supplements  
pharmaceuticals  
shortenings  
pan release agents

#### Industrial

anti-foam agents  
anti-spattering agents  
cosmetics  
dispersing agents  
printing inks  
insecticides  
paints  
synthetic rubbers  
stabilizing agents  
wetting agents  
yeast culture

### Minor Co-products

#### Industrial / Food

Glycerol  
chemicals  
lubricants  
structured lipids  
antifreeze  
printing acids  
cements  
explosives  
cosmetics  
  
Fatty Acids  
soaps  
detergents  
oleochemicals  
structured lipids  
  
Sterols  
pharmaceuticals  
  
Tocopherols  
vitamin E  
antioxidants

## Protein Products

### Meal

#### Feed

calf milk replacers  
swine feed  
poultry feed  
beef-cattle feed  
dairy-cattle feed  
bee foods  
pet foods  
furbearer diets  
fish (aquaculture) diets

### Soy Flour, Protein Concentrates and Isolates

#### Food

bakery ingredients  
alimentary pastes  
beer & ale  
noodles  
prepared meat products  
meat analogs  
meat pumping solutions  
breakfast cereals  
prepared mixes  
food drinks  
baby food  
hypo-allergenic milk  
confections  
candy products  
beer & ale  
sausage casings  
yeast cultures  
imitation dairy products  
flavorings  
infant formula  
salad condiments

#### Industrial

adhesives  
plywood  
wall board  
particle board  
insecticides  
fungicides  
dry-wall tape compound  
texture paints  
fermentation nutrients  
yeast carriers  
linoleum backing  
antibiotics  
paper coatings  
fire-fighting foams  
fire-resistant coatings  
asphalt emulsions  
cleaning compounds  
cosmetics  
printing inks  
leather substitutes  
water-based paints  
plastics  
textiles

### Nutraceuticals

#### Pharmaceutical / Health

isoflavones  
saponins  
phytic acid  
protease inhibitors

## Hull Products

### Fiber

#### Industrial / Feed / Food

filter material  
high-fiber breads  
cattle roughage
