Dear Mr. Karls,

Thank you for donating a copy of **COOLBEAN the Soybean** to the Mayville Public Library.

This book will find a new home in our children's collection. Highlighting the importance of the soybean and all it can do is a wonderful way to introduce children to the wonders of science, agronomy and how something as small as a soybean can make a huge difference around the world! With the graphic format and all the interesting facts included, this book is a great resource for kids of all ages.

I appreciate your organization's selection of the Mayville Public Library to receive this wonderful and informative book.

Sincerely,

Alix M. Bielot,
Director
